

Visual Overview

The screenshot displays three main sections of the software interface:

- SKU Classes:** A table listing various classes such as Glass, Granite 2cm, Granite 3CM, Harris Quartz 3CM, Inventory Tax, Josy Quartz 3CM, Kim Cabinet Test, Labor, Laminate Colors, and Laminate Slabs. Each row includes columns for Class, Type, and other attributes.
- SKU Items:** A table listing individual items like Absolute Black 3CM, Absolute Black Honed 3CM, Absolute Black Premium 3CM, Absolute Cream 3CM, Absolute Green, Absolute Red 3CM, Absolute White 3CM, Action Flow Black 3cm, and Action Flow Blue 3CM. Columns include SKU, Class, Unit, Length, Dpth, and Stock.
- Price Lists:** A configuration screen for a price list named 'Commercial'. It includes sections for Calculation Defaults, Advanced Settings, Tools, and a Cost Definitions table. The Cost Definitions table lists items like Drawing Items, Edge, and Faucet with their respective UnitRevenue, Unit, Percent, and %Target.
